### Notes / Narratives

On 07/11/13 between 1814 and 1841 hours, an unknown suspect removed an item displayed for sale without paying for it from the Microsoft Store at Fashion Square Mall at 7014 E Camelback Rd.

On 08/24/13 at approximately 1221 hours, I was asked to respond to the Microsoft Store inside of Fashion Square Mall (FSM) at 7014 E Camelback Rd. On this day I was in full regulation uniform, in a fully marked patrol vehicle, identifying myself as a police officer with the city of Scottsdale.

FSM Security had initially responded to take a report on 07/11/13 of the shoplift of a laptop from the Microsoft store. At the time, Microsoft did not have a serial number for the laptop and did not know if they desired to aid in prosecution. SPD was not contacted at this time and no report was taken with SPD.

On 08/23/13 the same suspect who shoplifted the laptop on 07/11/13 returned into the Microsoft store and was recognized by employees. Please see DR`s 13-19280 and 13-19333 for further information regarding those incidents. After those incidents occurred, I was asked to take the initial report for the 07/11/13 incident.

I responded to the Microsoft store on 08/24/13 and met with the store manager who verbally identified himself to me as Jason Swenton. Jason told me that on 07/11/13, employee Rebecca Casto was working at the store and interacted with the subject during the incident. The suspect entered the store at approximately 1814 hours (according to FSM video surveillance). The suspect remained in the store until just before 1841 hours, when he left the store. Just prior to leaving the suspect grabbed a Sony Duo 11 laptop that was displayed for sale. This laptop did not have any security leash attached to it, just the power cables which were unplugged. The subject grabbed the laptop and left the store without paying for it. He went through the mall and eventually went into the Green Garage and got into a newer model Kia Optima with an AZ Temp Tag. The vehicle left towards Goldwater Bl. This vehicle was possibly the same one involved in DR 13-19280.

Jason said Microsoft was now willing to aid in prosecution for the shoplift of the laptop. However, Jason still did not have the serial number of the laptop that was stolen. Jason was advised to get that serial number to SPD as soon as possible.

FSM security is still processing the video surveillance, they will advise when it is ready.

FSM report is scanned and attached to this DR.

This concludes my involvement with this incident at this time.

On 8/23/13, at approximately 2045 hours, unknown suspect failed to stop for a traffic violation at [REDACTED] E Chaparral Rd. The suspect fled into the residential neighborhood to the north of Chaparral Rd and abandoned the vehicle at [REDACTED] N 70th Street. Ofc Roberson located the vehicle approximately five minutes after the vehicle fled. The male suspect was not located after perimeter search efforts were unsuccessful.

At approximately 2040 hours, the male subject was observed inside of the Fashion Mall property, specifically in the Microsoft store. Mall security research of past shoplift subjects located surveillance footage of a prior incident involving the same male approximately one month prior (SPD report 13-19332, 7/11/13). During that incident, the suspect took a display laptop from the Microsoft store. Mall security located a silver Kia Optima which the suspect accessed prior to entering the Microsoft store. This vehicle was backed into a parking spot on the 2nd level of the green garage.

When the suspect entered the Microsoft store, I checked the Optima and observed Arizona temporary license plate, [REDACTED]. This plate returned to a Kia Rio, Jeffrey Sheldon, 11/30/71. A check of the VIN number did not locate any record on file.

The suspect exited the Microsoft store and proceeded to his vehicle. Sgt Bonnette (690) determined that a traffic stop would be appropriate at this point. It was later determined that the suspect provided fraudulent money to Microsoft during this incident (SPD report 13-19333).

I located the vehicle pulling onto Goldwater Blvd (N/B). I attempted to catch up to the Optima and observed it pull into the mall parking lot located around the Camelview theatre and Dillard's department store. I observed the vehicle pull down a row of cars near the parking garage and lost sight of it. Within two minutes, I located it leaving the mall property onto 68th Street northbound. I attempted to catch up to the vehicle and did so at 6800 E Chaparral. I was operating a semi-marked police vehicle with red and blue emergency lights. The driver turned E/B onto Chaparral Drive. At [REDACTED] E Chaparral Rd, I activated the emergency lights and siren on the vehicle. Within two seconds, I observed the driver accelerate in the Kia to approximately 50 MPH. I immediately pulled to a stop on Chaparral. I observed the Optima turn N/B onto 70th Place. After losing sight of the Optima, I pulled into the neighborhood and stopped at 70th Place and Pasadena Ave to await responding officers.

I observed a man, later identified as resident Mark Provinzano of [REDACTED], waving a flashlight at me. I moved to his location and he reported the Optima went S/B on 71st Place and turned E/B. At this point, Ofc Roberson reported the location of the vehicle via radio. I responded to that location to commence a perimeter detail. The suspect was not located. Resident Robert Cooper, 10/7/42, did not hear anything and did not know why the vehicle was in his driveway. I noted the vehicle had various contents and was in good condition.

I spoke briefly with resident Eleanor Mavor of [REDACTED]. She reported that a male had knocked on her front door and asked her to call a taxi. The male also offered Mavor \$100.00 to give him a ride. Mavor told the male, "no" and shut the door.

The vehicle was processed for evidence by CSS Oleksik prior to removal to the police impound lot at 7601 E McKellips Drive.

Subsequent follow-up investigation determined the vehicle was stolen from Scottsdale. Per a Carfax report, the Optima showed a stolen status on 7/15/13 from Mark Mitsubishi. An NICB check showed that Federated Insurance linked a claim to this vehicle with a contact of Josh Spencer (general manager) of Mark Kia/Mitsubishi.

On 9/3/13, I spoke with Spencer by telephone. He stated the vehicle was received into inventory on 7/9/13. He stated it was not located during an audit on 7/15/13 and both keys were gone. Spencer did not file a police report. He stated that it was likely stolen after it was unloaded with the keys still inside.

CSS Oleksik processed the vehicle prior to tow. It should be noted that video evidence at the mall showed Lauchner to be possession of the Kia Optima on 7/11/13 during incident 13-19332. This would have been two days after the vehicle was delivered to Mark Kia and prior to the audit by Mark Kia on 7/15/13 which showed the vehicle missing.

The temporary license plate returned to a Kia Rio, with the last four of the VIN number [REDACTED]. It was registered to a Jeffrey Sheldon, date of birth [REDACTED]. I observed Sheldon's MVD photograph dated 2011 and observed that Sheldon was not the same male that I observed inside of the mall. Sheldon was listed at 5'7 which did not match the suspect as well.

The suspect was described as a white male, approximately 40 to 50 years of age, with a bald head. He was approximately 6'0 feet tall and 190 lbs. There was medical paperwork for Kristopher Cauchner of [REDACTED]. I located a subject with that registered MVD address by the name of Kristopher Lauchner. I reviewed his MVD photograph and as well as prior booking photographs and recognized him to be the suspect in this case. MVD records showed Lauchner to be 5'10 and 190 lbs. I recognized his facial features and structure. Lauchner showed extensive criminal history to include a seven year prison sentence for theft of means.

Additional information will be forthcoming.

On 10/2/13, this case advanced. A check of the Maricopa county Superior Court indicated that Lauchner had court scheduled for 10/2/13 at 0830 hours at 201 W Jefferson Street in Phoenix for case CR2012-151899. Members of the Scottsdale ROP unit responded to courtroom 804 and placed Lauchner under arrest at approximately 0948 hours.

On 10/2/13, I responded to the District II jail. I observed that Lauchner was wearing the same black shirt from the mall surveillance video. It is a button down shirt, black in color with wrist cuffs which display a pattern when folded back. The wrist cuff design matched the collar design. I also observed Lauchner's chest tattoo above the line of his shirt which was consistent with the mall video footage as well. The shirt was impounded as evidence.

I interviewed Lauchner with Det Toschik in the west interview room located near the bike unit office. We escorted him to and from the interview room without incident. He was in handcuffs and leg shackles. At 1100 hours, I read Miranda rights to Lauchner. He stated, "yes sir" when asked if he understood his rights. Lauchner provided contact information upon request. He stated he owns Vapor Cleaning Services and cleans tile and grout occasionally. Lauchner stated his current telephone number is [REDACTED] with Cricket. Lauchner stated he does not use drugs since his prison release in April 2013. He would later admit to using methamphetamine on a regular basis. Lauchner stated he has not filed taxes for several years. He stated he was not associated with

any gang activity. He stated he plays pool and cleans floors occasionally to support himself.

Lauchner stated he has a tattoo in German which means, "My honor is truth" in a rocker design on his upper chest. He also had a large back tattoo as well. He denied any political tattoos.

I told Lauchner that I was going to ask him a question to gauge whether he would be honest or not. I asked him why he thought he was in Scottsdale today. Lauchner replied that it could be a few reasons. Lauchner stated that when he would get high, "one of my things was shoplifting". He cited electronics and small "shit" as targeted items. Lauchner mentioned that he owes \$600.00 to a bondsman for his Harley Davidson motorcycle.

Lauchner mentioned that he was "high" in Scottsdale a year ago. I told him that in August 2013 that he was at Fashion Square mall and dumped a stolen car. I showed him two still photographs of Lauchner in the green garage. Lauchner began to act as if he did not know anything about the car. Lauchner then explained that he rented the car from a drug friend named Dan, last unknown, for \$100.00 every three days. He stated he rented the car in late July. Lauchner stated that Dan did not tell him it was stolen, but told him that his girlfriend Amanda, last unknown, leased the car under a fraudulent name and they would be re-possessing it. Lauchner stated, "I knew there was something shady about the car". Lauchner stated there was no contract and Dan does not rent cars or own a business that rents cars.

Lauchner stated he needed transportation. I asked him why he had run from police on 8/23/13 in the car. Lauchner stated he sold an iPhone and Nintendo Wii on Craigslist for \$300.00 on 8/22/13. Lauchner did not know the person who bought the items and had no information about the Craigslist transaction. He stated he entered the Microsoft store to buy a game for ex's son. Lauchner stated a Microsoft employee told him the twenty bills were fake. He stated he was told that Microsoft would keep the money and talk to police. Lauchner stated he left because he didn't need the drama.

Lauchner stated he saw a truck with red and blue lights behind him. He stated he was "scared" because the Microsoft employee mentioned the police. He stated he was paranoid about the incident as well. He stated he valued his freedom and had too much going on to stop. Lauchner stated he was high on meth during this incident. He stated the truck turned on his lights and "it was obvious it was after me". Lauchner stated he turned, and didn't see the truck again, and parked the car and walked away, and called Dan to get his vehicle.

Lauchner could not produce a phone number for Dan. Det Toschik received permission from Lauchner to look for Dan's number in his cell phone. Lauchner expressed remorse about Dan and hinted that he knew more information about Dan.

I stated to Lauchner that while he was being honest to answer whether he took a laptop on display at Microsoft and ran out of the store. Lauchner disagreed that he "ran". I reminded him that he was video. Lauchner stated that "yeah" when asked if he took a laptop from Microsoft. He stated he sold it for \$500 or \$600 to a drug dealer to pay his rent. He said this was a hand to hand transaction, not on-line.

Lauchner stated he is not being paid by anyone to investigate drug transactions. He stated he had a traumatic loss of his son in 1999 which led to drug use and depression. Lauchner stated he did well on probation and parole, when he was accountable. Lauchner stated that Clarissa St Peter is his current live-in girlfriend.

Lauchner recalled contact with Phoenix PD in July 2013 concerning a pool cue. He stated he assumed that the license plate on the Kia Optima was placed there by Dan or the dealership. He stated he did not touch the license plate. Lauchner stated his father owns two homes in Scottsdale.

Lauchner wanted to discuss a "deal" for drug information that he had. Det Toschik and I explained that we were not in a position to make any deals and would only discuss the Scottsdale incidents.

Lauchner confirmed that he knows right from wrong when sober and becomes impulsive when high. He stated he is diagnosed manic bi-polar. He stated he knows there is a connection between his behavior and drugs. Lauchner denied knowing the bills were fake. He then stated he "saw details that were so stupid, it was obvious" in reference to the bills. Lauchner stated that he could not manage himself well on drugs.

Lauchner stated the iPhone and iPad in his possession belonged to him. A later check indicated the electronics were not stolen. Det Toschik impounded these items as safekeeping.

I asked Lauchner what his plan was for the future. Lauchner did not seem to have any plan and talked about drug activity. Lauchner stated he intends to have a SSMI assessment in the near future. He stated he has been in prison on two different occasions.

Det Toschik assisted Lauchner to call his aunt so that she could retrieve her truck from the downtown Phoenix area. Upon completion of this call, the interview was completed after Lauchner again expressed his interest to provide information to detectives. I placed a copy of the interview onto disk and impounded the disk at the Via Linda station.

On 10/2/13, I completed a submittal with MCAO requesting that Lauchner be charged with one count of auto theft, 13-1814.A1, one count of forgery, 13-2002.A3, and one count of shoplift, 13-1805.A1 for his involvement in these incidents in Scottsdale. Lauchner was held in-custody.
